

## Early Childhood Program Immunization Requirements

Utah law requires children attending this Early Childhood Program or facility are appropriately immunized for their age against the following vaccine-preventable diseases:

Diphtheria	Measles
Pertussis	Mumps
Tetanus	Rubella
Polio	Haemophilus influenzae type b (Hib)
Hepatitis A	Pneumococcal
Hepatitis B	Varicella

**It is your responsibility to have your child immunized and to provide this facility with a medically verified, date- and dose-specific immunization record for all required immunizations he/she has received. This is required for admission to this facility.**

Factors regarding when your child gets which doses of vaccine include:

- current age of child;
- when he/she began the immunization series; and
- grade, if he/she attends school.

For specific information on which immunizations your child should receive, please consult with your child's health care provider.
