Delta Middle School PCCR/Parent Teacher Conferences

This year we are excited for the changes we are making to our PCCR/Parent Teacher Conferences. Instead of scheduling a time with the student’s homeroom teacher, we would like parent/students to have the opportunity to visit with all their child’s teachers. No appointments will be necessary. Teachers will be in their classroom, available to meet with any parent during the day, from 10:00 a.m.-1:00 p.m. and 2:00 p.m.-6:00 p.m. Because time is limited, we ask that each parent/teacher conference is no more than 10 minutes. This will allow time for every parent to visit with the teachers they need to see.

Prior to our PCCR/Parent Teacher Conferences, we will send your child’s report card home with an attached letter indicating if a teacher needs to meet with the parent for specific reasons. If this is the case, please make every effort to meet with these teachers. Whether or not a request is made by a teacher, we invite all parents and students to attend our PCCR Conferences. This is a great opportunity to celebrate the academic success and hard work of our students.

Mini-classes for our parent will also be offered that day for those who are interested. The times & room locations will be :

- 2:00-2:30 Latinos in Action: Information for parents in Spanish. Computer Lab Room 48
- 2:30–3:00 **Power School Basics: Learn how to check your student’s grades & other important information.**
Computer Lab Room 19
- 3:00-3:30 Internet Safety: How to keep your child safe while using the internet. Media Center
- 3:30-4:00 Stop Bullying: My child is being bullied, what do I do? Media Center

What I'm Thankful For

There are many things I'm thankful for; the season, my family, and leaves galore. Fall is a season of thanks, thinking about life, and doing some pranks. I am thankful for my sister and my brother, and also my father and mother. I am thankful for my friends and all the new trends. I am thankful to live in the United States and to be inspired by people like Bill Gates. But, most of all, I'm thankful for my family, and what they do for others. You see, they make my life worth living, in this season of Thanksgiving.

Thanksgiving

When you think about Thanksgiving you think about leaves, sunrise red, golden-yellow and an extraordinary orange that you only get with Fall leaves. You remember the day before Thanksgiving. The happy joking and relaxed looks on peoples faces as the prepare for Thanksgiving. There is always a favorite food that we all have, whether it is pumpkin pie or a berry salad. They bring time-stopping smells that makes you think, “It's Thanksgiving!” The cinnamon and fall candles bring smells to the house. The colorful leaves, the touch of the rake, the taste of the food, the sounds of family and friends all make me think it's Thanksgiving!

Please make sure that your student is on time to school each morning. Also, remind your student to be on time to each of their classes throughout the day.

All tardies will have to be made up on an assigned make-up day. Thanks

Please sign indicating you have read the newsletter. The first entire class to bring this paper signed by their parent/guardian gets a treat.
