

DELTA HIGH SCHOOL POSITIVE BEHAVIOR PLAN

The Administration, Faculty and Staff at Delta High School will work collaboratively to help students have a positive learning experience. We will strive to implement each of these interventions that will allow students to learn, feel safe, have memorable experiences, graduate and become productive members of an ever-changing society. Together we can make a difference through **R**espect for each other, striving for **E**xcellence, and using **D**iscipline to reach the goals that can make a **positive** difference in each student's experience at Delta High School and throughout their lives.
