STUDENT BODY OFFICERS

We want to congratulate the students who have been chosen to represent our school by participating in student council. Our student body President is Acey Jensen. Embry Ekins is the Vice President, and Ty Stefanoff is the Secretary. Give these three a round of applause. They will assist Mrs. Callister and Mrs. Draper with activities. The rest of the student council includes the following: Kael Bryan, Meg Carroll, Danica Diaz, Kylee Gardner, Kate Jackson, Addi Smith, Madi Styler, and Marlee Williams. High standards are expected of the student council. They will have to keep their grades up, have no tardies, and have no U's. We appreciate all efforts to help make this a great year!

ATTENTION
Parents!

Please remember to pay your child's registration fees, including a \$6 writing lab fee for 6th graders. Please bring the required fees to the front office as soon as possible. Students will not be able to participate in activities until their fees are paid in full. Thank You!

VISITORS

Our new school security system always keeps the doors locked. If a parent/ visitor would like to enter the building, there is a check-in feature located by the front entrance. This allows our visitors to use the call button to speak with office personnel and receive permission to enter the building. Once permission is given, the front door will be opened for only a few seconds to allow the visitor to enter the building. All visitors must wear a mask, have their temperature taken and complete a quick health survey upon entry into the school.
