

Delta Middle School
Community Council Minutes
September 14, 2020

- Mrs. Callister welcomed council members.
- Tonya Quackenbush made a motion to nominate Kandie Taylor as the Chair, the motion was seconded by Sarah Richins.
- Sarah Richins made a motion to nominate Carolynn Taylor as the Vice Chair. The motion was seconded by Kandie Taylor.
- Provided training for DMS Community Council members using the Utah Board of Education Community Council resources.
- Reviewed 2020-2021 LAND Trust Plan, TSSP Plan, and Digital and Safe School Plan. The Council discussed the need to pay Mr. Dallan Anderson for his prep period to offer additional science instruction to students in smaller class sizes. Approximate cost will be \$15,000. Sarah Richins made a motion to approve this change to the 2020-2021 school LAND Trust Plan. Carolynn Taylor seconded the motion. Mrs. Callister will contact the district office, to put it on next months board meeting for final approval.
- Council discussed the need for a bus to pick up and drop of students at the address of 500 W. 500 S. Delta, Utah. They feel it is a safety issue because these students are crossing main street and they are worried they are going to get hit. Because of the 2-mile distance and many of the parents working in the morning hours, the students are responsible for getting themselves to school. The council would like this brought to the attention of the district and board. Mrs. Callister will visit with Superintendent Styler regarding this issue.
- Meeting Adjourned
