Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Jubilee. When the minutes are turned into the teachers, Jubilee will offer a free donut. You can redeem this coupon in November. Please do your reading to earn your Doggie Buck.

Principal's Message

We have over a month of school behind us. I would like to thank you for helping us get that far. Your support makes a big difference. Despite COVID restrictions, school is functioning as close to normal as possible.

Thank you for keeping your children home if they are sick. We appreciate you letting us know through a phone call if they will not be present each day. The REMIND app and Class Dojo are also good ways to communicate with your child's teacher. Powerschool is a great way to check your child's grades.

Thanks to all who attended the Harvest Hoorah. Mrs. Rowlette did an excellent job planning and

pulling it off. Thanks to all the volunteers who helped read stories, clean the Outdoor Classroom, and worked that night. The Scarecrow Contestants were amazing and appreciated.

Delta North will hold their Halloween Parade. It will be outside only. A note and map will be sent home explaining where you may park and view it. It will be held Friday, October 30, at 10:00 a.m. We hope to see you there! There will not be any class parties held. Thank you for understanding and helping us keep some traditions as close to normal as possible.

There have been a lot of changes since school was put into closure last March. Your attitude has made all the difference as to how successful our District progressed. You made sure your students got online and helped them with their assignments. Please be assured we are better preparing your students if that should happen again. It is our wish to keep school as close to normal as possible. We appreciate all you do as parents and thank you for your patience as we all navigate these uncharted waters.

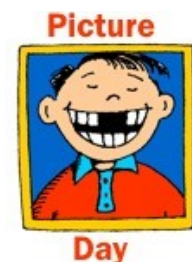

Things You Need To Know

Habit #2 – Begin with the end in mind. Have a plan.

Delta North will be working on Habit #2 from the 7 Habits of Happy Kids. This teaches kids to plan ahead and work toward their goals. Students should do meaningful things that help them achieve their goals. The 7 habits should also be practiced at home. Please discuss with your children about what it means to

be proactive (Habit #1) and how you can plan ahead (Habit #2).

*The DNES & DNES PVG would like to thank everyone for their donations for the school fundraiser this year. We appreciate all of your support.

***Picture Day October 1st.**
