Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Jubilee. When the minutes are turned into the teachers, Jubilee will offer a free donut. You can redeem this coupon in November. Please do your reading to earn your Doggie Buck.

Principal's Message

Delta North Elementary recently updated their Vision to "Encourage, Inspire, and Support Every Individual to Achieve Their Best." The updated mission statement is "To assist students in gaining skills that will empower them for their lifelong journeys to success."

The staff is committed to this and have developed a Guaranteed Viable Curriculum in each grade level. Please visit our website to learn what your child will be guaranteed to be taught this year. Intervention time is built

in to help every child get what they need. This may include reteaching or extending their learning.

The theme this year is C.A.M.P (Care About Making Progress). Delta North Elementary School's staff is working hard to ensure each child makes progress throughout the year. Successes will be tracked periodically during the year and shared with you. Take a minute to ask your student how they are doing in school and how you can help them improve.

This is an exciting year with great potential. Thank you for helping do your part in providing the best possible experience for your child.

Things You Need To Know

Halloween Parade will start at 9:45 a.m. It will be outside this year. Please see the map and follow the line-up instructions.

*Parents, please sign up for the Remind app, if you have not already. This valuable resource is a great communication tool between you and your child's teacher.

*Check out our webpage and Facebook page for important information. If you can't find what you are looking for, kindly call the school and we will assist you.

*DNES recycles. Please send your printer cartridges, old cell phones, and ipads to be recycled (damaged ones are okay). DNES uses the money raised to keep the Outdoor Classroom running. Remember, we can only recycle ink cartridges that can fit in the palm of your hand.
