

DNE Learning Resources

Here are a few of our favorite resources that you can use with your kiddos this year! You may access many digital resources using your child's clever badge as well.

Reading

- **Lexia:**

If your child is below grade-level in this program, make it a goal to get them up to grade-level by the end of this year.

- **Reach for Reading:**

Use this resource to enjoy quality stories and fun phonic and vocabulary games.

- **Read, Read, Read!!!**

Read some books with your child and have thoughtful discussions. Have your child read newspapers, lists, magazines, or online resources.

- **Word Games:**

Have a family game night: Headbanz, memory cards, Jeopardy, game show, charades, board games, etc.

Recommendations

- Current research is suggesting that the COVID Learning Slide impacted students by as much as 50% regression in math and 30% regression in reading.
- Utilizing these resources for a few hours a week will help your student this school year.
- Teachers and staff are always willing to help with any questions.
