Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Jubilee. When the minutes are turned into the teachers, Jubilee will offer 1 Free Donut. You can redeem this coupon in **November**. Please do your reading to earn your Doggie Buck.

Principal's Message

It seems the school year is quickly moving forward. We have completed our beginning of year testing for reading and math and for those students who were below benchmark, we are in the process of administering diagnostic assessments to find out exactly where their struggles are. From there, we will begin interventions that will target the area they need to work on. You will be able to see the results of these assessments during your parent conference meeting with your student's teacher this month. Please attend and see what you can do at home to help support them in their educational journey.

Parents, please help make sure your students read each day. You can listen to them, read with them, or have them read to a sibling. Make it a daily routine. Making sure each of our students is reading to the best of their ability is one of our top priorities.

Delta North Elementary's Vision is "Encourage, Inspire, and Support Every Individual to Achieve Their Best." Our mission statement is "To Assist students in gaining skills that will empower them for their lifelong journeys to success. "Our staff is committed to helping your students as we "Be Our Best".

This is an exciting year with great potential. Thank you for helping to play your part in providing the best possible experience for your child.
