**School Land Trust:**

\*Members looked over the Acadience reading, and Acadience math data for 2022-23. It is still a serious area of concern. It was discussed that the school would continue its use of 95% phonics, and LETRS training to provide professional development for teachers, and some of our paraprofessionals. This year we have a significantly less number of teachers to begin/finish LETRS training, so the money will be able to be allocated for other areas. However, we are including some paraprofessionals in the training this year.

\*Some of the School Land Trust money will be used to continue our dance program (Beverly Taylor Sorenson) and for the teacher salary.

\*It was agreed that we would use some of the funds for the DNES musical, which would be for teacher/director stipend.

\*We are still hoping to use some of the funds for an additional para-professional to help with the growing need for our students.

**Mrs. Whatcott- SEL Curriculum:** Mrs. Whatcott used a powerpoint presentation to share a curriculum about kids keeping themselves safe through education, and empowerment. Members discussed the possibility of using this carefully developed curriculum for use in the classroom, taught by Mrs. Whatcott our school counselor. We talked about how parents would receive the information and that it may be nice to have an opening social for parents to review the curriculum. That time has not been set up.

**Next Meeting Time and Date:** Set for Nov 8, 2023 at 3:00 pm in the DNES Staff Lounge.
