Title One School

April 2024 Calendar of Events:

April 3rd..."Change Wars" begin.

April 17th..."Change Wars" end.

April 18th...4th Grade Field Trip to BYU Museum.

Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Rico Antojo's. When the minutes are turned into the teachers, Rico Antojo's (this is the Taco shop across from Jubilee will offer a (1) small bean & cheese burrito with a kids drink. You can redeem this coupon in **May**. Please do your reading to earn your Doggie Buck.

Bulldog Bulletin

Principal's Message

DNES will begin RISE and Acadience testing in April. Parents, please do your part in ensuring your children come well rested, have a good breakfast, and are reassured that they just need to do their best.

Delta North Elementary has worked on teaching the 7 Habits of Happy Kids to students throughout the year. In April, students will be introduced to an additional habit Dr. Covey added- "Find your voice and inspire others to find theirs." This leadership habit teaches children that they can change the world. They can choose the direction of their life and in turn influence and help others.

I am inspired by your children and their great ideas. Some have offered suggestions to help school run more smoothly. Often these suggestions come after many hours of adults trying to solve the problem!

Parents, thank you for spending time with your children and helping them pursue their dreams!. It makes a profound difference in how well they function at school. Thank you for supporting Delta North and speaking up when you have concerns.

We realize the impact your child will make on the future. They are the ones to invent the latest technology, find a cure for cancer and solve world problems. They are the ones who will take care of us. Thank you for letting us be part of the team that will shape their lives!
