Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Ace Hardware. When the minutes are turned into the teachers, Ace Hardware will offer a small bag of Tootsie Rolls. You can redeem this coupon in **June**. Please do your reading to earn your Doggie Buck.

Principal's Message

On behalf of the staff at Delta North, I would like to thank you for entrusting us with your children this past school year. Your children have become "our children" and will remain forever so. We value the trust you have in us. It is my hope your child had a great 2023-2024 school year, one where they grew both academically and emotionally.

I personally want to thank you for allowing me to be a part of your child's life and supporting me through my first year as a principal. It has been a great learning experience for me, and I have enjoyed getting to know you and your amazing children. I look forward each day to seeing their smiles and hearing about the things they are excited about.

Thank you for a great school year. It has had its share of ups and downs but through it all, I have learned we are better together and stronger than we ever imagined. It is my wish that your child has fond memories of their time spent at DNES and they leave with the necessary tools to help them be the future leaders they are destined to become.
