

Delta NORTH Elementary SCHOOL

Title One School

April 2026 Calendar of Events:

April 1st-3rd...Spring Break. No School.

April 10th...SLAM Fair. Awards at 6:00 p.m. A note will be sent home with students at a later time with more information.

April 20th...RISE Testing starts.

Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Service Drug. When the minutes are turned into the teachers, Service Drug will offer a free candy bar of your choice. You can redeem this coupon in May. Please do your reading to earn your Doggie Buck.

Bulldog Bulletin

Principal's Message

DNES will begin RISE and Acadience testing this month. Parents, please do your part in ensuring your children come well rested, have a good breakfast, and are reassured that we are asking that they just do their best.

Delta North Elementary has worked on teaching the 7 Habits of Happy Kids to students throughout the year. We have had assemblies for each habit and given recognition to those students who teachers feel have exemplified the past month's habit. We are so proud of your students for trying so hard to internalize and use these habits to help themselves and others to make our school a better place. In April, students will be introduced to an additional habit Dr. Covey added- "Find your voice and inspire others to find theirs." This leadership habit teaches children that they can change the world. They can choose the direction of their life and in turn influence and help others.

I am inspired by your children and their great ideas.

Parents, thank you for spending time with your children and helping them pursue their dreams! It makes a profound difference in how well they function at school. Thank you for supporting Delta North and speaking up when you have concerns.

We realize the impact your child will have on the future. They are the ones to invent the latest technology, find a cure for cancer and solve world problems. They are the ones who will take care of us. Thank you for letting us be part of the team that will shape their lives!
