Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be T & T Theater. When the minutes are turned into the teachers, T & T Theater will offer a small drink & bag of popcorn. You can redeem this coupon in April. Please do your reading to earn your Doggie Buck.

End of Year Testing:

The school year is quickly moving along, and we will soon be looking at end of year testing. We will begin testing in April. Our 4th grade students will be taking the RISE assessment in the areas of Language Arts, Math, and Science. Third graders will participate in RISE as well in the areas of Language Arts and Math. They will also be assessed in Math and Reading with the Acadience assessment. Second graders will be assessed using the Acadience assessment in Reading and Math as well. The information we receive from these assessments helps us to determine where our students are and what we can do to best help them progress. It can also give us information on the growth that was made during the year. Please help students understand how important it is to finish these last few months strong so that we can see the great growth they have made!

Testing opt out:

Board Rule 722-404-7 (3)(a) states that a parent may exercise the right to exempt their child from a statewide assessment. If you choose to opt your child out of end-of-year testing, you must complete the Parental Exclusion form and return it to the school. The form can be found at:

Parents, thank you for spending time with your children. It makes a profound difference in how well they function at school. Thank you for supporting Delta North and speaking up when you have concerns. Thank you for all the support you give to our students, our teachers and staff, and to me. Together we make a great team!

Reminder:

Teacher requests are due March 20, 2026. Please make sure you get them in as soon as possible with a first and second choice. Late requests may not be honored.
