Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be Jubilee. When the minutes are turned into the teachers, Jubilee will offer a **Donut**. You can redeem this coupon in November. Please do your reading to earn your Doggie Buck.

Principal's Message

The school year is quickly moving forward. We have completed our beginning of year testing for reading and math. For students who were below benchmark, we are in the process of administering diagnostic assessments to find out exactly where their struggles are. From there, we will begin interventions that will target the area/s they need to work on. You will be able to see the results of these assessments during your PCCR (Plan for College and Career Readiness) conference meeting with your student's teacher this month. Please attend with your student and see what you can do at home to help support them in their educational journey.

We are a "Leader in Me" school and as such, we learn about the 7 Habits. Each month we will have an assembly where we will acknowledge those students who were examples of our prior months Habit and learn about the next Habit we will be working on. Our Habit for September was "Be Proactive: I'm in charge of me." October's Habit is "Begin with the End in Mind: Have a Plan." Your child will learn about writing and making goals and taking the steps they need to accomplish those goals. They will be creating a WIG (Wildly Important Goal) that they will be working on this year. They will share this with you during their PCCR conferences.

Parents, please help make sure your students read each day. You can listen to them, read with them, or have them read to a sibling. Make it a daily routine. Making sure each of our students is reading to the best of their ability is one of our top priorities.

Delta North Elementary's Vision is "Encourage, Inspire, and Support Every Individual to Achieve Their Best." Our mission statement is "To Assist students in gaining skills that will empower them for their lifelong journeys to success". Our staff is committed to helping your students as we "Be Our Best".

We have many things going on this month. Please check our webpage, Facebook page as well as our marquee in front of the school for important information. If you can't find what you are looking for, please call the school and we will be happy to assist you.

This is an exciting year with great potential. Thank you for helping to play your part in providing the best possible experience for your child!
