Jan. 5th…School Reconvenes.

Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.
The reading sponsor for this month will be Ashton's. When the minutes are turned into the teachers, Ashton's will offer a Free Soft Serve Ice Cream Cone. You can redeem this coupon in January. Please do your reading to earn your Doggie Buck.

Principal's Message

We made it through the first quarter of school! It has gone by fast. I have a feeling the rest of the year will be the same. Thank you for all you do for your students and our school. And thank you for sharing your students with us. The best part of my day is interacting with your students. They are amazing!

When you attended Parent Conferences, you were given your child's progress data. All students took the Acadience Reading assessment in August or September. Delta North has deficits to make up in reading. Many of our students are struggling to become proficient.

We are doing several things to help students progress. Interventions are being carried out at school, trying to help all students become proficient readers. Students will be tested again in January to determine how much growth they have made from the beginning of the year. Delta North's goal is for every student to show growth. Ideally, DNES would like to move as many students as possible from "Below Proficient" (Red and Yellow) levels to "Proficient" or Highly Proficient" (Green and Blue) levels. You will be notified of your students' growth throughout the year.

Please refer to your students' report and be aware of the many resources available to help. Keep in mind reading with your child every night for 30 minutes has a big impact on their success in not only reading, but across all subjects.

We appreciate you and all you do to support our school. Together we will help each of our children grow and become successful. As always, if you have any questions or concerns, my door is alwa
