Principals Message

Dear Parents,

We were excited to begin our new school year with your students!! It has been a fun and learning experience to welcome them back to school!! We have had a great start to the year and are excited to help each student be successful in every way!!! We are looking forward to being partners with you in the education of your child. We hope to instill a love of learning and enthusiasm for the world that we all live in. Several changes have been made to ensure the safety of all students. These include:

- Doors are locked except for certain times. If you need to visit the school after it has started, please use the front doors. All parents who are bringing students to school should use the front doors!! The west doors are for bus students to enter and exit the building.
- To enter the school after the doors are locked, please push the button!! The doors closest to the buzzer will unlock! Listen for the click and walk in. Please check in at the office!!
- Class Dojo will be our primary means of communication for the school year. We can send the messages to your email or your phone. Please sign up with your students' teacher by using their code. You can get it by emailing your teacher and asking for it. Class Dojo will translate messages into your home language!!
- School starts later again this year!! Breakfast starts at 7:55 and school starts at 8:25. Please do not send your students earlier. The doors do not unlock until 7:45.
- **Preschool and Kindergarten parents:** Please train your child to find their classrooms during this first week of school. We encourage independence and would like you to drop them near the front and let them walk to their classroom by themselves!!

During this school year we will continue to DO GOOD and BE KIND!! We will be creating a school community that embraces the principles of accountability and kindness. We will be taking a pledge to follow five (5) simple principles:

- Be Accountable
- Do Good
- Be Kind to Yourself
- Be Kind to Others
- Be Kind to the World Around You.

Please feel free to stop in any time and see what we are doing! We would love to have you visit.

Respectfully,
Miss Harrison
