## Principals Message

DSES faculty and staff appreciate the opportunity to work with your students. We are seeing a lot of progress and appreciate your support as we continue to see their progress.

Your children are amazing and keep us smiling as they show an enthusiasm for learning. They are doing a great job of trying to CHOOSE KINDNESS!!

Have an amazing Holiday Break! We are looking forward to a New Year!

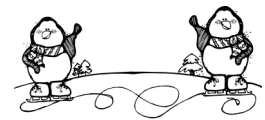

## Cold Weather

Our students do much better academically if they have the opportunity to go outside at recess each day and get some fresh air. **Please remind your child to wear a coat, mittens or gloves, and warm shoes.**

**If you could take a few minutes to write your child's name inside coats, backpacks, mittens, etc., it will make the items much easier to return if they are lost**

If your child is missing an item, please check at the school lost and found.

Thank You!

## Slam Dunk Reading

Our Slam Dunk Reading Program is going so well too! Six classes have read over 10,000 minutes, and our school has read 130,000 minutes so far! If we read 500,000 minutes by the end of the year, our school gets to have a dunking party featuring many of our staff getting tossed into a dunk tank! Other prizes per class in-

clude—donuts from our PVG, root beer floats, book tokens, and even lunch in the park with the principal. Encourage your kids to keep reading and to turn in their calendars at the end of each month. Our secretaries really want to get dunked at the end of the year!

## Caroling at the DSES

We are so excited to invite you to the Delta South Elementary. We will be having a Christmas Program on Dec. 20th. It will be outside and performed at 9:00 & 1:30. The AM Kindergarten and AM PreSchool will be able to go home after the AM performance and the rest of the school can go home after the afternoon performance. We will have a whole school practice on the 19th. Please have your child dress warmly!

## Delta Area Chamber of Commerce Reading Program

Congratulations to all of the students that met their goal and read or were read to for 400 minutes or more during the month of November! These students will receive a certificate for a **free Cinnamon Stick from Gordos**. The certificate must be redeemed by Friday, December 31.

Students that read or are read to 400 minutes or more during the month of December will earn a certificate for a **One soft serve ice cream cone with a minimum purchase of \$5 from Ashton Meats**. Don't forget to turn in your **November** reading calendar to the office by **Friday, De-**

**cember 9th.**

We would like to thank our sponsors for supporting our school

Thank you  
so very much

## Media Happenings

I'm excited to report that our Book Fair was a success. I can't thank you all enough for your support. The great success of our book fair will allow us to purchase new books for our library. I look forward to sharing with our students the new books that will be available for them to check out.

Quick reminder about our Reading Bingo. You should be working on the Yellow Card. This can be turned in between Dec. 13th and Jan 6th. This time is extended due to the holiday break. Once your student's yellow card has been completed celebrate being halfway to the finish. Thanks!

## Ornaments

Each student is invited to help decorate the trees in the front entryway. It is totally optional. If you would like to participate, please help your child make an ornament at home and then bring it in to the office. Please have your child's name and teacher's initials somewhere on the ornament.

## PVG News

Thanks to our PVG for obtaining our spirit shirts for the year!! We wear them on Thursdays. We appreciate helping with birthday bulletin boards and being supportive of our programs. They have been enthusiastic and supportive of our programs while still observing all the safety rules!!

## Change for Hunger

The change for hunger was a great success. Thanks to everyone who sent their kiddos to school with change in November. The DSES raised over \$1000 for our local food bank! Four awesome teachers got a pie to the face, and both Mr. Rawlinson and I colored our hair because the kids raised so much money. You can watch the whole assembly on our Facebook page!

Our teachers were great sports. They each agreed to the pies in the face. Some of the races for leaders on the leaderboard were so close (within dollars)! The teachers were not sure who would be the recipi-

ent. In the morning assembly we announced the winners for the Pre-School and the Specialists and in the afternoon assembly we announced the winners for the Kindergarten and 1st Grade. In the end, Mrs. Edwards received the pie for Pre-School, and Mrs. Johnson received the pie for the Specialists. In the afternoon, Mrs. Oldroyd got a pie in the face for Kindergarten while Mrs. Nay took the pie for the 1st Grade. We thank our teachers for being such good sports.
