Meet Principal Bassett

by Paisley Anderson, Ian Henderson, Millie Nelson, Vicky Robinson, & Jordyn Taylor.

We would like to welcome our new principal, Mr. Bassett, to our school. We are excited to have him at our school and see what he will do. We all wanted to get to know him so we interviewed him for the newsletter. Although he has a lot to live up to, we are sure he will do a great job.

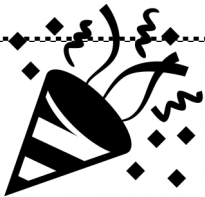

To start off, we asked him his favorite color. He told us he liked blue, because he has always liked it since he was little. Some of his favorite hobbies include backpacking, fishing, and family time because he likes to do activities outside. He is a Ford truck guy, which would not be our first choice! In his family he has one sister and two brothers, and he is the oldest. He also has four kids; two boys and two girls, and a dog. He was born on May 16th, 1979. We did the math and figured out he is currently 43. When we asked him his favorite celebrity, he said, "I am really respecting Tom Brady at the moment." He said steak is his favorite food, medium rare to be specific. His favorite restaurant is In-In-Out, because he enjoys their burgers. His favorite drink is Mtn. Dew, which is the way to go. The last and final question we asked him was, what is his favorite treat. He loves Reese's Pumpkins or Reese's Eggs.

In conclusion, we are very excited to have him as our new principal, and to see everything he will do for our school. We are sure he will do great things, and will fulfill our expectations.
