### Chamber of Commerce Reading Program

Once again this year the Chamber of Commerce will be sponsoring a reading rewards program for all students. We would like to have all students participate because we feel that reading is an important part of their education.

The reading sponsor for this month will be **Millard County Swimming Pool**. When the minutes are turned into the teachers, **West Millard Swimming Pool** will offer a **free pool pass**. You can redeem this coupon in **October**. Please do your reading to earn your Doggie Buck.

### Principal's Message

Welcome back to school! I am so happy to have you all back and hope this year will be successful as well as memorable. The staff at Delta North Elementary is excited and eager to make this year great. Speaking for everyone at DNES, thank you for trusting us with your children!

The theme this year is "**DNES, The best of the best**" (Top Gun). We want our students to know they are the "best of the best". We plan to follow the actual Navy Top Gun's three-word motto to describe our school – **Humble, Credible, Approachable**. With your help, we can make school a life changing experience.

Delta North uses the same security system that is in place throughout the school district. Doors lock automatically. Please enter the building through the front doors. You will need to push the white button at the side of the door, stand there so the camera can pick you up, and wait for access to be granted.

We also have a service window you may talk to the secretarial staff through. Please do not enter the office area.

Our secretaries are very busy and need your help. Please don't make it a habit to call the school daily to keep your child off the bus. If you know that your child, who normally rides the bus, needs to be picked up, please send a note with them and/or notify their teacher through the REMIND app. If you have not signed up for REMIND, please see your child's teacher.

Thank you for your part to keep our students and staff safe. Please remember to keep your child home if they are not feeling well or have a cough or fever.

Together we can make this year great.

Just a reminder: Please send used ink cartridges.
