Principal's Message

Dear Parents,

It has been an exciting month for Delta South Elementary students! They have really improved in their reading and math skills and are beginning to be more independent and are making great growth. We appreciate your partnership in that endeavor.

Just a reminder that as the weather gets warmer, students should avoid flip flops and/or open toed shoes. We have very heavy doors to the outside and sometimes those toes get caught!! We sure would

like to prevent the injury to students if possible.

For the 2023-2024 year, we will be changing our Kindergarten sessions. The legislature has provided us with funds to offer full day sessions of Kindergarten. It is our intent to provide enough sessions of full day to meet parent desires. There is a half day option. If you are interested please contact the school at 864-5670.

At the end of this month, we will begin our End of Year testing starting with Kindergarten on

Wednesday April 26th. We will continue with Acadience Reading and Math for 1st grade in May. Please pay close attention to testing days and make sure that your student has adequate rest and is ready to do his/her best. Students have been working hard learning all the skills needed to be successful!!

Please pay attention to upcoming dates and mark them on your calendar.

Media Happenings

"The habit of reading is the only enjoyment in which there is no alloy; it lasts when all other pleasures fade."

- Anthony Trollope

April is here and we are not only excited about spring but we are excited about our upcoming Reading Bingo Party. The last day to bring in your reading bingo cards is Tuesday, April 11 I will be getting the party invitations out that week. I will also

give each teacher a list of their students and the party information to make sure none of our participants miss the party as long as they are at school that day. Our Reading Bingo Party for our Pre School will be held Monday, April 18th.

For our Kindergarten, 1st Grade it will be held Friday, April 22nd. I look forward to celebrating with these students and recognizing them for all their hard work.
