## EHS CLASS OF 2015

by ASHLEY WRIGHT

The graduating class of 2015 at EskDale High School consists of three young ladies: Breanna Conrad, (Bottom Right) Taryn Childs, (Bottom Left) and Grace Palfreyman (Center).

These girls have worked hard to complete their high school education and they will be moving on to greater things. They have big plans for their future after they graduate. When asked what their plans were, they said they didn't know, but they gave us an insight on what they hope to do.

Breanna wants to go to college for at least two years and get her associates degree. She says she does not have a major, but hopes to find something in college that she enjoys

and will continue to pursue it.

Taryn plans to go to college in Logan, Utah and major in photography or graphic design. She hopes to someday get a job as a photographer for a magazine like National Geographic.

Grace wants to attend Snow College or Dixie State in the Fall. She will be majoring in music, with emphasis on piano. Someday she wants to teach piano lessons and be an accompanist to other performers.

These three are very capable of achieving their goals and we hope to see them succeed in their future prospects and plans. Good luck out in the big world girls!

This issue of  
**The Salt Flat  
Tribune**  
was conceived, written,  
designed, and  
published by the  
**EskDale High School**  
11th grade English class.

## MUSIC, REGION, & TEACHER OF THE YEAR!

by **TINA HAYWARD**

In the Spring of every year, we students always hear about Region. What is it? Well, Region Solo and Ensemble is a UHSAA sponsored event that allows high school students to use their musical abilities and be adjudicated by judges. This event gives students from all over the state a goal to strive for, which helps improve their abilities as musicians. It is not a competition against other students; each student is adjudicated by his/her ability and how well they performed their piece.

There are more reasons to participate in Region than just for the adjudication: it also looks good in your portfolio. Those who give out scholarships like to see a well rounded education. Besides that,

playing an instrument and taking it to Region tends to build a good work ethic.

This year, Region Solo and Ensemble Region is going to be at Dugway High School on March 18. Our school has twelve numbers going to Region with thirteen students. However, the entire student body will be involved in Choir / Orchestra region, which is on April 1.

Every year, Lois Faber is the teacher who works the hardest to get us students to work on our music and go to Region, and this year she has been nominated as the Teacher of the Year 2016 for Millard County! Because of this, she also has a chance of becoming Teacher of the Year for Utah!

Way to go, Lois! We are all really proud of you and grateful that you are our teacher!

## NYC TRIP UPDATE

by **EZEQUIEL TORRES**

There is increased need for group fundraising! Due to unexpected price hikes, the students at EskDale High will be fundraising further in order to be able to do all the events planned for the trip. They will be doing carwashes, bake sales, Go-Fund-Me program, and maybe pizza kits. The students will not be charged individually for the price inconvenience but will be fundraising together.

The students of EskDale High and Garrison Secondary Schools will be going to New York City on May 7 through May 12. They are going to

see sites such as the Statue of Liberty, "Ground Zero", Times Square, Central Park and the Empire State building and see the New York lights come on. They will also watch street performers with David Trotta.

The students will be performing at the Statue of Liberty, at a handicapped school, at a Catholic Mass service, and attending a Yankees or Orioles baseball game,

Other things on the itinerary are watching the Broadway musicals Aladdin and Les Miserables. After the Aladdin musical the students will

be able to go backstage and interact with the cast for a question and answer session.

The students will have Subway meals paid for. Breakfasts and dinners will also be provided at the Hard Rock Cafe and Planet Hollywood.

## EHS DRAMA CLASS PRODUCTIONS

by TORI PEREA

The students of EskDale High School's drama class performed a play called *The Ten Penny Tragedy* on Wednesday, February 18, 2015 in the EskDale Auditorium for the residents of Snake Valley and surrounding areas. Pleasing the crowd with a tragedy of a lost "diamond" engagement ring, which is actually a dime, the drama students excellently demonstrated the comedy built on gossip and confusion.

The next play the class will be

presenting is *Jacob Comes Home*, featuring Zeke Torres as Rudolf, who was released from a work camp in Nazi Germany during World War II.

This play is an emotional drama presenting what some families went through waiting for their family members to get home during World War II. This will be the first time this class has

performed a drama. They will be performing this play on March 16, 6:00NV/7:00 UT, in the EskDale Auditorium.

There are seven students in the 2014-15 drama class. They are seniors: Breanna Conrad and Grace Palfreyman; juniors: Zeke Torres, Ashley Wright, and Tori Perea; sophomore Emily Weight; and freshmen Ambre Mourhous. The students of this class are being taught by Lois Faber who also directs the Choir and Orchestra classes.

## BASKETBALL WRAP UP / NEXT YEAR

by RICKY VILLARREAL

The West Desert Hawks, with one of the best seasons they've ever had going 7 and 11 this season, made it into the region tournament and placed 8th in the region after a very

complicated season with injuries and players getting sick throughout the season.

The upcoming season will be even better because they don't lose any players from this season, so they will know who they're playing with. Both schools, West Desert and EskDale, are working together, hoping to create a JV team so that the younger ones have more time to play and enjoy the season even more.

Both schools are even considering the possibility of making

a whole new team where the team name can represent both schools from Snake Valley. The schools are leaning toward the Snake Valley "somethings." You can help us choose a mascot by informing the school board or our student body council.

In the upcoming basketball season the team will have a total of 18 games, including some against Millard County schools such as Delta and Millard (Fillmore). We hope that those who showed up for us this last year will continue to support the team in the upcoming season.

## TRACK SEASON STARTING

by EZEQUIEL TORRES

### 2015 Track team

Guys: Caleb Baker, Christian Conrad, Ezequiel Torres, Hesston Elmer, Justin Howland, Latham Weight, and Ricardo Villarreal M. Villarreal

Girls: Breanna Conrad, Emily Weight, Grace Paulfreyman, Lauren Palfreyman, Tina Hayward, Victoria Perea

## LOCAL NEWS, ETC...

by LATHAM WEIGHT

Well, as we all know, spring is here, but after an extremely warm and dry winter we really can't tell the difference.

Near our school is a building that the military had built to test drones. The building was hardly used and the original intention was to tear the building down. As soon as locals caught wind of this plan, everyone started to think of a use for the building. Here in the school we were always talking about turning the building into a gym since we don't have anything like that. This idea was talked about a lot, and many kids talked about it with their parents.

Then it became a real thing, and many thought it was a good idea. So we got the school district involved, and it became a thing that we thought might actually happen: the kids at Eskdale High would actually have a gym! As the cards were played and people were contacted and discussions were had, it came down to the fact that county wanted the building. What this means is the county had the power and the money to get the building and are now using it for storage. Sadly, with that opportunity lost, we the kids at Eskdale High are still left without a gym when for a brief moment we thought we would actually get one.

## COMIC STRIP

by TINA HAYWARD

# CALENDAR

- March 16 - EHS Performance and Drama Class presents "Jacob Comes Home" @ 6:00 PM NV and 7:00 pm UT
- March 17 - International Food Day at Baker School
