This holiday season, the best gift you can give your child is a good education. And the best place to get an education is in school. It's tempting to extend your vacation by a few days, but remember, those days count as absences. Just a few missed days here and there, even if they're excused absences, can add up to too much lost learning time. So make sure your child

is in school every day, right up until vacation starts. Our teachers will be teaching, and our students will be learning. Happy Holidays from Millard School District!

Sub For Santa

We are collecting food, toys & clothing donations for the less fortunate. The holiday season is a joyous time; however, it can also be a stressful time. If you feel you are able to donate, it is really appreciated. Donations will be collected thru Dec. 17th, so get them in early! There will be gift wrapped boxes in the entry to collect the items in. Food must be non-perishable and unexpired. Toys and clothing must be new. Thanks to everyone for helping out those in need at this time of year. Let us all remember the spirit of the season. There will be a special surprise for the grade level that collects the most.

Parents, according to NCLB law, you have the right to know the professional qualifications of your student's classroom teacher. Please contact Mrs. Sheriff to receive this information.
