We will be having a year end celebration! May 24th. This will be held here at Fillmore Elementary school using our own playground and facilities. Please make sure your students wear good running shoes for this day. Preschool and Kindergarten will hold their celebration on May 17th.

★ Preschool & Kindergarten Pre-Registration ★

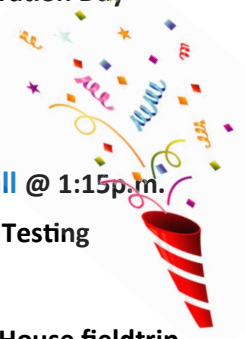

Pre-registration for Preschool 2022-2023 BEGAN on April 18th and will end May 20th. Students that will be 4 years old by September 1, 2022, are eligible to attend Preschool in the fall. Parents will need to bring an official birth certificate and a current immunization record to the school during the above dates to enroll. **Please note: you will also need to pre-register online as well as at the school. Spots are limited, pre-registering your child does not guarantee that they will be placed in a class.**

Pre-registration for Kindergarten 2022-2023 will begin on April 18th and run until May 20th. Students that will be 5 years old by September 1, 2022, are eligible to attend Kindergarten in the fall. Parents will need to bring an official birth certificate and a current immunization record to the school during the above dates to enroll. If your child attended Preschool in the 2021-2022 school year, please contact FES to make sure we have all the necessary paperwork. **Please note: you will also need to pre-register online as well as at the school.**

Preschool and Kindergarten students will not be assigned a teacher until after placement testing is completed in August. You will be contacted by the school to set up an appointment to bring your child in for testing.

Class Lists for 2022-2023 are in the works. We are hoping to get them completed before school is out. If not, they will be mailed out in June.

Preschool and Kindergarten classes will be assigned in August after pretesting, the 1st week of school.

We will be sending home a Summer Reading Challenge with your students, so please watch for it in your child's backpack next week. We encourage all parents to read as often as you can with your student this summer to keep up their skills! Don't forget to ask Who? What? When? Where? Why? to help with reading comprehension.

PTA Project—Outdoor Center

You may have noticed some big trucks and equipment out behind the school by the playground area. This year, the PTA helped fund a very much-needed renovation of the outdoor science center. We will be adding a covered cement pad with picnic tables. Additionally, we are working to clean up the overgrown weeds and make the center more accessible to teachers and students. A special thank you to Stephanie Kelso and the PTA Board, Brandon Bartholomew, Kalan Lemon, Stotz Equipment, Carling & Company, and all others who volunteered time and service to make this happen. We are so excited to see the finished product!!
