

Millard School District is introducing a new way
to excuse your student's attendance.

SchoolMessenger
SafeArrival

Use any of these three ways to report absences:

- School Messenger App (*Blue Icon*)
- SafeArrival Website: <https://go.schoolmessenger.com>
- Toll-free Number: 1-888-599-1998

For the app and the website, you will need to create an account using the first contact email that is on file with your student's school.

You can start excusing absences now!

Refer to the SafeArrival Parent Guide on the district website or contact your student's school for additional help.
