

VISUAL ARTS NEWSLETTER

AUGUST-SEPTEMBER 2023

Hello! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! I started teaching here last year, and have loved getting to know your children.

Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month. I am a little late with this first one and I apologize.

KINDERGARTEN

September:

We used the letters A, B, C, and D to create a creature that started with that letter. Then using crayons we colored them in.

FIRST GRADE

September:

We created self portraits, showing either a place we want to visit or something we want to be when we grow up. Using colored pencils, we colored our pieces.

SECOND GRADE

September:

Mrs. Jackson was unable to be at school during our week, however our awesome subs gave us some awesome papers that helped us to learn to think critically.

At the beginning of the week, we had to think of some gross toppings we wouldn't want on a pizza. A Lot of bugs were drawn, the occasional bandaid, and also some dead fish.

Near the end of the week, we worked on drawing the alphabet. We had to think of different items that started with each letter and draw them in the boxes.

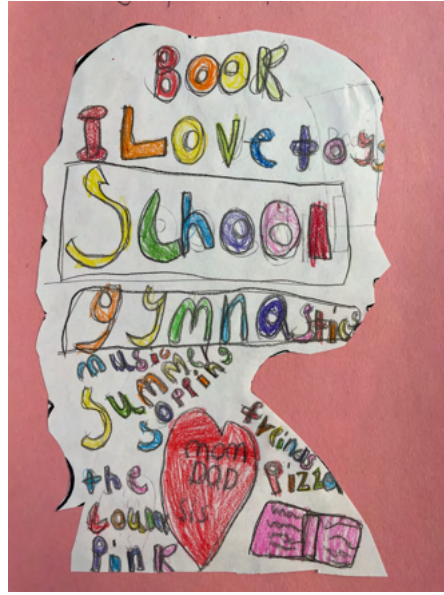

THIRD GRADE

September:

We were able to create a silhouette and turn it into a self portrait. They had to include people, places, hobbies, foods, etc, that is important to us. We then glued them onto a paper that is a color we like.

FOURTH GRADE

September:

Using pencils, we drew half our face on a piece of paper. Then we created the other half of our "face" with objects that make us who we are. Those might be people, activities, hobbies, food etc. We then colored them in with colored pencils.
