

Visual Arts Newsletter

December 2023

Hello again! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! Our newsletters are a great way to see what students accomplished the months before. I will be releasing one each month.

“Everything you
can imagine is
real.”

Pablo Picasso

KINDERGARTEN

Using ovals and a few squares, we created reindeer and then colored them with pencils or crayons. It was our choice which we used..

Emiliano

Boston

FIRST GRADE

After learning about landmarks and what a compass rose is, we created a map of what we think the North Pole might look like. We added landmarks like Santa's house and the toy factory.

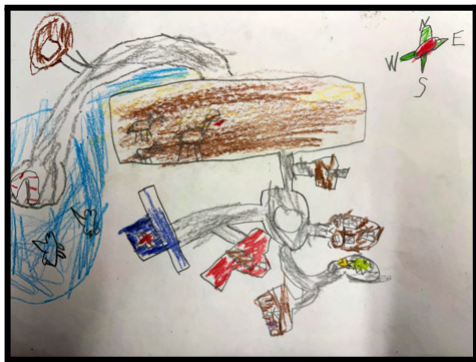

Aspen

Bowdy

Cal

Ember

Koda

Eden

Griffin

SECOND GRADE

After learning about the history of the Christmas Nutcracker, we designed our own. We drew the basic shape of the nutcracker, then we added details. We made backgrounds by putting bleeding tissue paper on our papers and spraying them with water.

Daniel

Hyrum

Mason

Pyper

Tucker

THIRD GRADE

We learned about overlapping to create depth in a picture. We drew ornaments in a pile, and added color and shadow to add the illusion of depth in our pictures.

Cody

Mallory

Isabelle

Timber

Johnny

Duke

FOURTH GRADE

We learned about the origin of gingerbread houses this month. After, we drew our own. The one rule was that everything we drew on our pictures had to be a candy or small food item. We used watercolor paint and colored pencils to add the color and details to our gingerbread houses.
