

Visual Arts Newsletter

August-September 2024

Hello! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! I am in my 8th year teaching art, and have loved getting to know your children.

Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month.

Kindergarten

September:

We learned how to draw Chip R. Munk, our school mascot! Mrs. Jackson showed us how to use shapes we already knew how to draw to create our versions of Chip.

First Grade

September:

For our self portraits, we first learned to draw people who weren't stick figures. Then we add details that show a place that we think would be cool to visit. It could be a real place or a place from a book, show or game.

Second Grade

September:

We created self portraits in art. First we learned about the steps to drawing our face. Then we talked about personal identity and added items that make up parts of who we are.

Third Grade

September:

We were able to create a silhouette and turn it into a self portrait. They had to include people, places, hobbies, foods, etc, that is important to us. We then glued them onto a paper that is a color we like.

Fourth Grade

August:

Using pencils, we drew half our face on a piece of paper. Then we created the other half of our “face” with objects that make us who we are. Those might be people, activities, hobbies, food etc. We then colored them in with colored pencils.

Fourth Grade

September:

We created a solar system picture and learned about open ended projects. Using pencil, crayon and watercolors, we had to create an image that showed the 8 planets, the sun and at least 5 extra details.
