December 2024

'tis the
Season
TO
Sparkle

Hello again! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! Our newsletters are a great way to see what students accomplished the previous months. Sadly 2nd Grade wasn't able to come for a week during December.

Kindergarten

We did a directed drawing in December, of Santa and Rudolph. We used black crayon to do the drawing and then we colored with our choice of marker, crayon or colored pencil.

First Grade

During December, we learned a bit about folk art, in particular Heather Galler. Then using watercolor and oil pastel to create our colorful, patterned cocoa mugs.

Third Grade

We discussed northern lights and used four colors that sit next to each other on the color wheel to create our own northern lights. We then used oil pastels to create silhouetted trees with white snow on them.

Fourth Grade

We learned about the origin of gingerbread houses this month. After, we drew our own. The one rule was that everything we drew on our pictures had to be a candy or small food item. We used watercolor paint and colored pencils to add the color and details to our gingerbread houses.
