Visual Arts Newsletter

November 2024

Hello again! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month.

Things will
fall into
place.

Kindergarten

During November, we created Pumpkin Patches. Using black crayon, we drew our shapes, and then we colored using crayons or markers.

Sawyer

First Grade

Using Eloise Renouf as our inspiration we created fall landscapes with mixed media. First we drew our pictures making sure to leave space for trees. We then cut and glued on colored paper for our changing leaves and added details with black marker.

Whit

Second Grade

We had an extra project right at the end of October and beginning of november. So we drew Jack-o-Lanterns stacked, and we also talked about the many colors pumpkins can be.

Laynee

Third Grade

We learned about paper art this month and created our own scarecrows with different colors of construction paper. We then used a sharpie to help our projects stand out.

Hazyn

Quentin

Fourth Grade

In art we talked about the Pando Aspen Grove in Sevier County, and learned that it is the heaviest organism in the world! We used it as our inspiration for our project. Using one point perspective, we drew trees to make it look like they were growing toward the sky around us.
