

**Fillmore Elementary School | Title 1 School**

# **Visual Arts Newsletter**

## **January 2025**

Hello again! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! Our newsletters are a great way to see what students accomplished the previous month. Check regularly to see what we have been working on.

## **Kindergarten**

We learned a bit about Chinese New Year, and discovered that this year is the year of the snake. Using a directed drawing, we created our own snakes decked out for the celebration.

# First Grade

During February, we learned a bit about what we see in the night and day sky. Then using different mediums (sharpies, oil pastels, and watercolors) we drew these fun sun and moon masterpieces!

## Second Grade

Using coffee filters and markers we created tie-dye snowflakes and learned about symmetry. We then glued them onto drawing paper to keep them safe. We then used extra pieces of the snowflake, and markers to add extra details.

# Third Grade

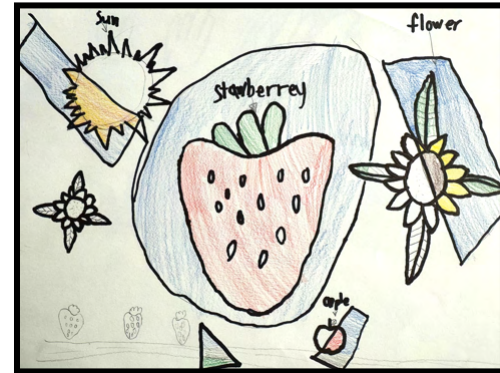

This week we discussed creating emphasis on subjects with shape and color. We started by drawing pictures of an image we would hang on the wall of our room. Then we drew a shape over the top of our picture and anything inside the shape would get color, and the rest would stay black and white.

# Fourth Grade

We used Crayola and Sharpie markers to create Pop Art of our favorite candies and drinks. We had to use lines or shapes to help make our art stand out like Pop Art.
