Visual Arts Newsletter November 2025

Hello! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! I am in my 8th year teaching art, and have loved getting to know your children. Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month.

Kindergarten

During November, we created Pumpkin Patches. Using pencils, we drew our shapes, and then we colored using crayons or colored pencils.

First Grade

Using Eloise Renouf as our inspiration we created fall landscapes with mixed media. First we drew our pictures making sure to leave space for trees. We then cut and glued on colored paper for our changing leaves and added details with black marker.

Giselle

Second Grade

We learned about changing leaves and why it happens. Using watercolors and oil pastels we created fall trees with warm and cool color contrast from the leaves onto the background.

Third Grade

Using oil pastels and a smearing technique, we created pumpkins. We had to use a light and dark color to make it look like the sun was shining on the pumpkin top.

Fourth Grade

In art we talked about the Pando Aspen Grove in Sevier County, and learned that it is the heaviest organism in the world! We used it as our inspiration for our project. Using one point perspective, we drew trees to make it look like they were growing toward the sky around us.
