

Visual Arts Newsletter December 2025

Hello! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! I am in my 8th year teaching art, and have loved getting to know your children.

Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month. During December, only three grades had art.

First Grade

We learned a bit about folk art, in particular Heather Galler. Then using watercolor and oil pastel we created our colorful, patterned cocoa mugs.

After learning about the history of the Christmas Nutcracker, we designed our own. We drew the basic shape of the nutcracker, then we added details and colored with markers. We then cut them out and glued them onto red or green paper in honor of the holidays.
