Visual Arts Newsletter February/March 2026

Hello! I am Mrs. Jackson, the visual arts teacher here at Fillmore Elementary! I am in my 8th year teaching art, and have loved getting to know your children.

Our newsletters are a great way to see what students accomplished the previous months. I will be releasing one each month.

Kindergarten

This year for Easter, we used watercolor to paint some easter eggs. We talked a bit about traditions. We then cut and glued our eggs onto a colorful paper of our choice.

First Grade

We created sun and moon pictures for our project this month. We discussed differences between the day and night sky. Then using oil pastels and watercolors, we created pictures and colored them with warm colors on the sun side and cool colors on the moon side.

Fourth Grade

We created pixel art. We had to count each row to make sure that our pictures lined up. We had the choice to create our own art, or use art that was already pixelated as a reference. We then used markers to color our art.

School Art Show

During PCCR this year we had a school art show! Each student was able to chose their favorite piece and write an artist statement about it. Then during art the weeks leading up to PCCR, each student hung their art in the hall around the art room. They did amazing work!
