## Updated Utah Guidance on Isolation and Quarantine for the General Population and Students

We have new protocols to follow for both isolation and quarantining due to COVID-19. Students and staff will be required to isolate for 5 days (from symptom onset) if they have tested positive for COVID. You may return after the 5 days as long as you have been fever-free for at least 24 hours and your symptoms have improved. You will also be encouraged to wear a mask around others for the next 5 days.

If you have been exposed by someone in your household and have not been vaccinated, you will be required to quarantine for 5 days from the most recent exposure. You can return after the 5 days as long as you are symptom free. You will be encouraged to wear a mask for the next 5 days. If you have been vaccinated, no quarantine is required.

## Sub for Santa "kiss a pig" Coin Drive

We had a wonderful response to our Coin drive so Thank You for your extremely generous donations! We were able to present a check for \$778.04 to the

local Sub for Santa program and they will make sure it is delivered to families in our Community in need. We would like to thank Hafen Agritourism, LLC for providing the pig,

and Mrs. Shamway, Mrs. Freeman, and Mrs. Mitchell for being such good sports.

## Dance

The students were treated to a fun time right before the Holiday with a dance. The 5th graders played Just Dance for an hour followed by the 6th graders, who were given an hour with the DJ. The 7th/8th graders also received an hour with the DJ. Enjoy some fun pictures from the dances.

### Reading Contest

Mrs. Holt had a fun contest in the Media Center - if you were "caught reading" on your own time, then you were given a ticket to write your name on and put into a drawing. The winners of the contest were Jana Ashman, Riley Barlow, Brenda Clavero, Landon Schwartz, Kambree Giles, Cody Thomas, and Mary Howard. Thanks for making reading enjoyable Mrs. Holt!

**FYI—Tutoring is available after school as a courtesy of our Americorps liaison Sarah Robison. If you need extra help, this is where you need to be! Talk to her to make arrangements.**

### Gingerbread houses

Thank you to Jana and Ruby for participating in the "build a gingerbread house" competition. Their entries were creative and resourceful! We love seeing your imaginations at work. Keep it up!

### Lunchroom students for January

Our lunchroom students for the month of January are Leah Freeman and Ammon Whitaker. These students are always willing to help out with a smile. They always remember their manners. We appreciate the wonderful example they are to the younger students. Thanks Leah and Ammon!
