

Fillmore Middle School MUSTANGS

April 2022

RISE Assembly

Mrs. Mitchell and our student council put together a fabulous assembly to get us all pumped up for our end of year RISE assessments. We were lucky enough to experience greatness first hand as we listened to messages from Coach Brendan Turner, Trayton Teeple, Josh Whitaker, and Sam Rasmussen. It doesn't get much more motivational than to hear from our own peers on what it takes to become a champion. We want to thank our teachers for working their guts out this year to get us ready for these exams. We want to thank Coach Turner and the boys for inspiring us to do our best. Lastly, we want to thank all our students for working so hard this year. We can't wait to show the state what we are made of!
