

Fillmore Middle School MUSTANGS

April 2023

Mrs. Julianne Johnson

We are so excited to have Julianne Johnson as our special education teacher for our 7th and 8th grade students this year. She was born in Vernal, Utah as the middle child. She has 2 older brothers and 2 younger sisters. She spent her childhood in Koosharem and graduated from Piute High school as a Thunderbird. A fun memory from when she was in high school – on the way home from her junior prom, she was exhausted after dancing all evening and fell asleep. When she awoke, her date had stopped the car, and he was randomly chasing rabbits at a park with another friend. After high school, she furthered her education at Western Governor's university with a major in Special Education and a minor in Elementary Education. While attending college, she was sharing a house with her brother, and he brought a friend home. He introduced his friend to Julianne, and they ended up hitting it off—they met in August, were engaged in December and got married in March! Now that's a whirlwind romance! They have been blessed with two beautiful children. Logan and Trisha and now they have added a daughter-in-law as well. Taylor and Logan are going to make her a grandmother this year! They have a pet dog, Newt, along with numerous cows and horses. Prior to working at Fillmore Middle School, she worked at Fillmore Elementary School as a special education aide, a keyboarding specialist, an instructional assistant, a refocus specialist, and a speech therapist. Some of her favorite activities include reading, crocheting, and going on the mountain. Some of her favorite treats include dark chocolate and Dr. Pepper. We have had a great time getting to know her this year, and can't wait to get to know her better.

UPCOMING EVENTS

Apr. 3—No school—District PLC

Apr. 4—Snow Day

Apr. 4—Snow College Math Competition

Apr. 5-7 Spring Break

Apr. 12-14—Spirit Week (it was rescheduled)

Apr. 14—RISE Motivational Assembly

Apr. 25—Midterm

Dr. Seuss Day

Thank you Mrs. Holt! She is always having fun contests in the library. Congratulations to Mrs. Butterfields class on winning the contest for the most AR points for the second year in a row! They won a Dr. Seuss themed party! second place went to Mrs. Beeston's class. They won Dr. Seuss themed goodie bags. Great job on earning those points - keep reading and taking AR tests!

Mrs. KenaDee Johnson

Mrs. KenaDee Johnson is one of our new instructional assistants this year. She has taken on the job of special education instructional assistant as well as our 5th and 6th grade P.E. classes. She was born in Delta, Utah as the youngest of three children. She has two older brothers. As a child, she remembers her family moving around a few times. Some of the places she remembers living are Santaquin, Vernal, and Millard county. No matter where they were living at the time, she always loved being outdoors or in the mountains with her family. She attended Millard High School and graduated as a Millard Eagle. To those who haven't yet decided which classes to take in high school, she highly recommends Mr. Tarbet's choir class because she remembers it being a lot of fun. After high school she enrolled in Snow college where she is currently working on her general classes. She met Brayden Johnson when she was in 8th grade, but actually got to know him while swimming on the high school swim team. They got married shortly after they graduated, and KenaDee and Brayden are currently expecting their first child! They have a chocolate lab named Remi. Before working at Fillmore Middle School, she worked at the East Millard swimming pool. Her favorite hobbies consist of anything outdoors. She has a sweet tooth, so she enjoys eating anything sweet as her favorite snack. We love having Mrs. Johnson here and hope she'll stick around so that we can get to know her better!

Lunchroom students for April

Our lunchroom students for the month of April are Ayda Tarbet & Austin Anderson. Thank you for always having such great manners by remembering to say Please and Thank You—We appreciate it!

Results are in:

Next year we will be sharing a mascot with the high school as the Fillmore Middle School Eagles. Thanks to everyone who participated in our survey.

The results are as follows:

Students:

59.6% for

29.6% against

13.5% undecided

Parents:

75% for

7.8% against

17.2% undecided

Teachers / staff:

77.6% for

4.1% against

18.4% undecided

We will be doing some updates this summer to reflect the new mascot, and when we come back in the fall, we will implement our changes accordingly.
