Fillmore Middle School EAGLE UPDATE

April 2025 pg. 2/2

At Fillmore Middle School, we embrace the theme: Be Present, Be Powerful!

When students are in school, they can actively participate in classroom activities, collaborate with their peers, and receive direct instruction from their teachers. We truly value our students' presence and aim to foster a supportive and engaging learning environment where they can thrive.

Together, let's ensure our students are here and ready to learn!

Congratulations to Andrew for earning 3rd place in the 7th/8th grade "Be Present, Be Powerful attendance contest
