

Fillmore Middle School EAGLE UPDATE

November 2025

"Attendance is Key"

Congratulations to Isabelle for winning 1st place in the Attendance is the Key poster contest for grades 5th-6th!

Attendance is the Key for maintaining stability in the classroom and ensuring that students have the opportunity to reach their maximum potential. We strongly encourage students and parents to prioritize regular attendance and minimize excessive absenteeism. By attending school consistently, students can actively participate in classroom activities, engage with their peers, and receive the necessary instruction to support their academic growth. We believe that by working together to promote regular attendance, we can create a positive and productive learning environment for all students at Fillmore Middle School.
