PAYMENTS

Payments can be made at the schools or online at <http://millardk12.org>. Click on "Instant Payments".

Parents are encouraged to send nine equal monthly payments, due on the first school day of each month, to keep their student's food service accounts with a positive balance. One payment is due before school begins and an additional payment is due September 1st. If the remaining seven payments are made, a payment in May will not be necessary. When account balances become past due, we will ask the parents to send sack lunches from home until their children's accounts are paid.

REFUNDS

Money remaining in student accounts at the end of the year will be carried over to the beginning of the next school year. Refunds for amounts greater than \$5.00 will be given to students who are not planning to attend Millard School District's schools during the next school year.
