

MILITARY RECRUITING & INSTITUTIONS OF HIGHER EDUCATION

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters or institutions of higher education, upon request, with the following information – names, addresses, emails, and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent. **[Note: These laws are Section 9528 of the ESEA (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).]**

Parents have an opportunity to request that their student’s information not be released. On an annual basis, parents will need to provide a written request addressed to the Superintendent of Schools by September 1st to have their student’s name removed.
