

IMMUNIZATION INFORMATION

All new students (including kindergarteners and preschoolers), please bring current immunization records with you to the registration. If it is determined that your student needs further immunizations, an appointment will need to be made with the local public health department or your doctor's office/clinic.

For questions regarding your child's immunization status, you may contact the school nurses:

- Delta – Jamie Barrus, RN (435) 864-5609
- Fillmore – Natalie Ralphs, RN (435) 743-5678
