Request to Review Current Millard School Extra-Duty Pay for Marching Band

Mr. Kelly Ball, Delta High School Band Director, requested that the Board of Education review the current extra-duty pay for Marching Band. Mr. Ball indicated that he has always been able and ready to take on additional work and new responsibilities when asked. With the recent achievements and the amount of time put in to the Marching Band program, he felt there was justification for an increase in the stipend.

The Delta High School Marching Band has evolved over the years, from practically non-existent, to a full competition Marching Band. Added duties now include: full time color guard instructor, running band camps, teaching and getting ready for the competition grade Marching Band show, competing at four (4) Utah state UMEA Marching Bands competition, and performing at halftime at the Delta High School home football games.

Mr. Ball suggested that the Marching Band program is equal to other programs such as the musical, and other sports programs who get compensated three (3) times more.
