Public Statement

Millard School District has completed an administrative investigation involving two District employees. Based on the findings of that investigation, the District has initiated formal action to separate both employees from employment with the District.

The District takes employee conduct and the safety, integrity, and professionalism of its schools seriously. Appropriate procedures have been followed in consultation with District legal counsel and in accordance with applicable law and District policy.

Because this matter involves confidential personnel information and ongoing due-process rights, the District will not release the names of the employees or provide additional details at this time.
