Fillmore Middle School
CERP Readiness and AED Location

1. FMS has two AED's clearly marked and located in the entrance of the school and in the gym by the locker rooms. We would be able to get anywhere on campus within three minutes.

2. I know that Scott who is hired by the state checks the battery and conditions of the AED yearly. I am not certain about the middle school. I am also, not aware that our local emergency responder are aware of the locations of the AEDs.

3. Cardiac Team Members include the following:

    a. Natalie Ralphs (School Nurse)
    b. Jessica Freeman (School Safety Specialist)
    c. Maden Larsen (Teacher)
    d. Liza Staples (Media Specialist)
    e. Daniel Freeman (Custodian)
    f. Harold Robison (Principal)
    g. Erica Harrison (Math Americorp)

4. Liza Staples and Jaycee Bond is Trained in CPR and First Aid. Millard Faculty received the CPR and First Aid training in the Summer of 2025.
