

Millard School District Approved School Fee Schedule 2020-2021

OUT-OF-POCKET MAXIMUM:

The Millard School District has established a maximum total aggregate fee amount of \$7,500 that a student may be required to pay in a school year. The Board of Education appreciates the incredible opportunities for participation that are afforded by our schools. Whereas students in large schools may be forced to choose between one or two activities, our students often participate in numerous sports, clubs, activities. These are costly, and yet are entered into at the discretion of parents and students. When the fees for participation in all activities surpasses the total aggregate fee amount, the district will assume the costs of additional participation.
