MSD: Additional Local Powers and Written Policy Commitments

The Board shall exercise the full legal authority it possesses as derived from the Utah Constitution, state and federal statutes, regulations of the State Board of Education and other state and federal agencies, Attorney General opinions, and case law.

All Board policies shall be in writing, filed, and referenced for public access.

The Board may apply for, receive, and administer funds made available through programs of the federal government.

The Board may, on its own behalf or on behalf of an educational institution for which the Board is the direct governing body, accept private grants, loans, gifts, endowments, devises, or bequests made for educational purposes. Such gifts, endowments, and bequests become the property of Millard School District unless otherwise controlled by law or the terms accepted by the Board.

The Board may hold school on legal holidays other than Sundays as allowed by law.

The Board may contract and cooperate with local governmental entities in matters affecting the health, welfare, and convenience of the inhabitants within their respective territorial limits. Intergovernmental agreements shall comply with the Utah Interlocal Cooperation Act.

The Board may enter into written employment contracts as permitted by law. Nothing in the terms of an employment contract restricts the power of the Board to terminate the contract for cause as allowed by law.
