MSD: School Wellness Specialist and School- Level Compliance Reports

Under the direction of the school principal, each school shall designate a Wellness Specialist to consult with the principal and assist with operational responsibility for implementing the District wellness policy at the school level.

The school Wellness Specialist shall annually, together with the school principal and School Community Council, evaluate the school's compliance with the wellness policy and develop a written report. The report shall be turned in to the District Office at the end of the school year, and data from school-level assessments shall be used to identify areas needing improvement.
