Student Activities Organizations and Clubs: Secret Societies

Secret Societies

The Board prohibits any fraternity, sorority, or secret society, or any organization composed wholly or in part of pupils of public schools below the rank of college or junior college which seeks to perpetuate itself by taking in additional members from the pupils enrolled in such school on the basis of the decision of its membership, rather than upon the free choice of any pupil in the school, who is qualified under the rules of the school, to fill the special aims of the organization.

No separate dashed Millard local provision was inserted for this policy. The adopted Millard sources reviewed either duplicate the USBA model or are assigned to a more specific USBA location.
