MSD: Parent Notice, Receipt, and Response Rights

Parents or guardians shall be provided notice of the District's student conduct and discipline requirements through registration materials, student handbooks, electronic posting, or another District-approved distribution method. The District may require parent or guardian acknowledgment of receipt when a policy or student handbook includes conduct and discipline requirements.

When a student is suspended for any period of time or is recommended for expulsion, the student's parent or guardian shall receive notice of the violation or violations on which the discipline is based and shall have an opportunity to respond consistent with the applicable discipline, suspension, expulsion, disability, and appeal procedures.
